

Our Communities, Our Places

The Kinglake Ranges, Flowerdale and Toolangi Plan and Design Framework

- Establishes a longer term vision for communities in the Kinglake Ranges, Flowerdale and Toolangi region.
- Responds to long standing issues including population growth and development pressures, housing needs, future land use, water and waste water infrastructure, the long distances many residents travel to access work and services, and the future character of the towns.
- Includes an overarching vision for the region that also captures the specific needs of individual communities.
- Strategies to deliver the vision and design frameworks to guide the future development of local areas.

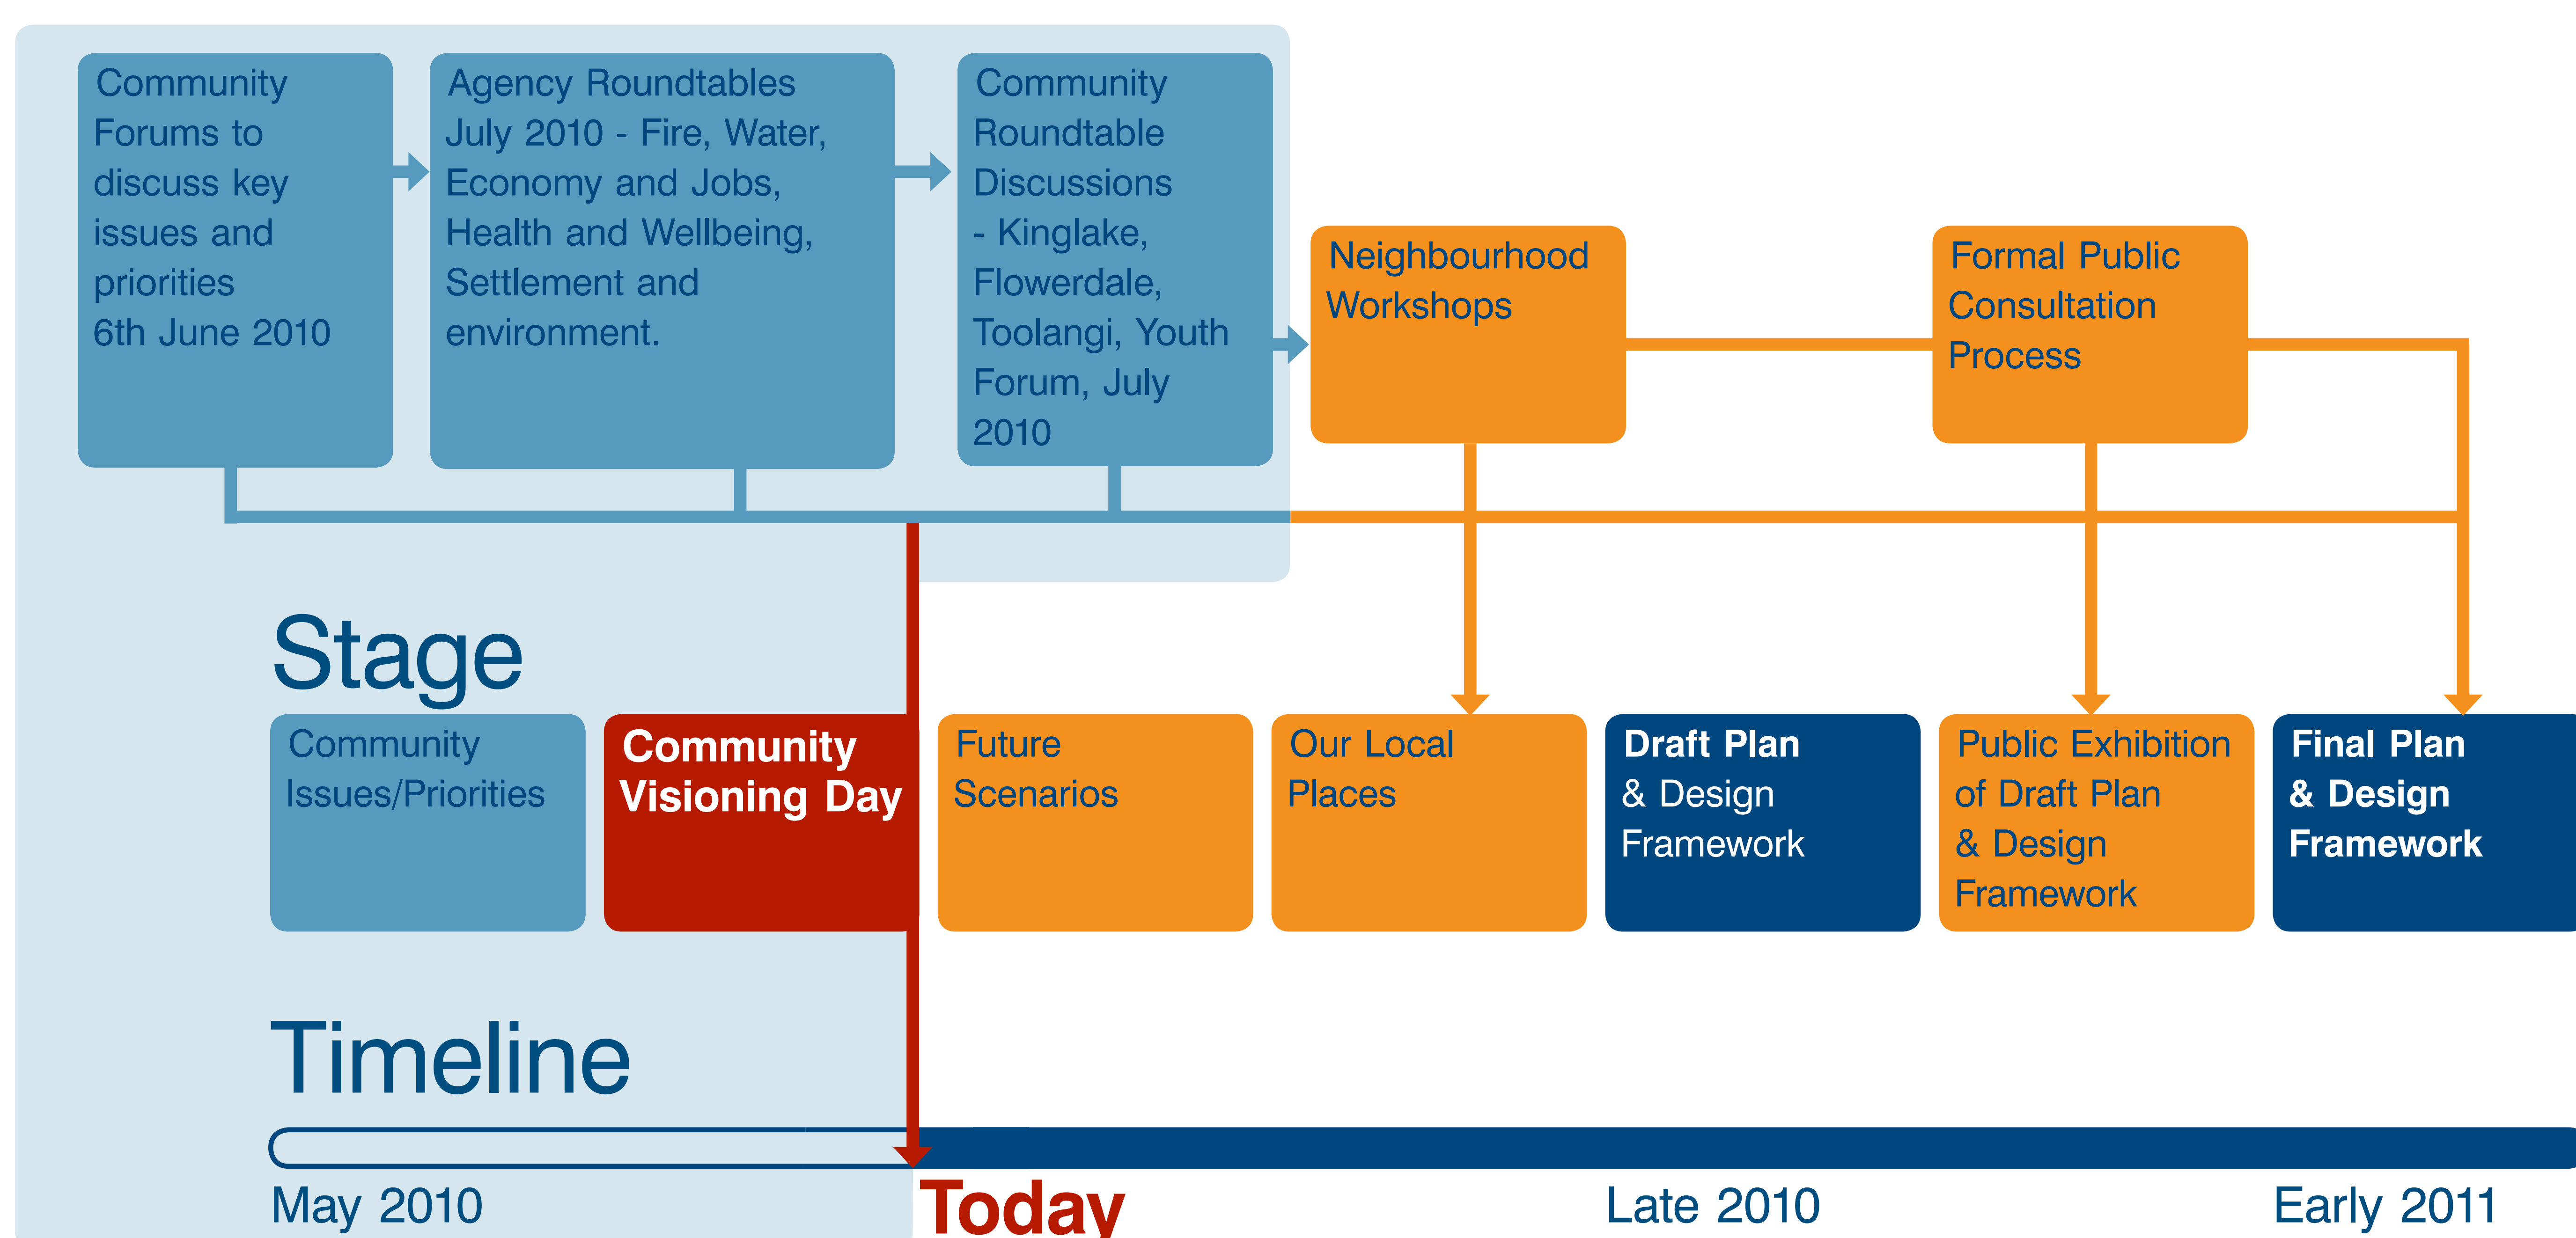

It is expected that the Plan and Design Framework will be completed early in 2011.

A Plan Emphasising your Values

The values identified as important to local communities include:

- Sustainability
- Diverse but one community
- Safety and Resilience
- Lifestyle Choice
- Equity and Access
- Participation
- Planning and Managing Change
